Art & Craft Vendors

Artists, crafters, fine craft artisans, and art & fine craft guilds are invited to participate as a vendor during the Expo of the 2018 North Charleston Arts Fest, set for Saturday, May 5, and Sunday, May 6, at the Charleston Area Convention Center Complex. Vendors may offer original fine art, photography, prints, decorative handmade items, jewelry, and more.

****NOTE: Revisions have been made to the Expo layout this year, as the gem show will no longer be staged in the back half of Exhibit Hall A. Vendors selling "youth-centric" items (such as toys or clothing and accessories made for children) will be placed together in a "vendor village" format within Exhibit Hall B, which has been designated for all youth activities and entertainment. All other vendors will be placed in spaces within the convention center's Exhibit Hall lobby. The artwork displays that were previously located in the lobby will now be installed in Exhibit Hall A, which has been designated for all visual art exhibitions, live art demos, etc. Each vendor's space will be separated by pipe and drape with spaces measuring 9'x8', 10'x8', and 10'x10'.**

VENDOR CATEGORIES

Art: Original fine art or photography, prints, and reproduced items from original work.

Crafts: Decorative handmade items for home, office, garden, or personal use.
