CALL TO ARTISTS

Our Third annual
Pawleys Island Festival of Art (PIFMA)
“Seaside Palette en Plein Air”
September 25th and 26th.

PIFMA is a nonprofit organization whose mission is to support music and the visual arts in a way that makes the arts available to all in the community. The Seaside Palette en plein air is one event that highlights the visual arts and gives artists the opportunity to enjoy painting with other artists at a fun and beautiful locale. In addition to the Seaside Palette en plein air

event, on Saturday PIFMA will have entertainment throughout the day and an afternoon reception and “Wet Paint” sale to give the participating artists the opportunity to meet the public and sell their works. An independent judge will award cash prizes based on a judged competition.

Please visit our website, www.pawleysmusic.com, for additional information about the Seaside Palette en plein air and for more information about the Festival. You can also call the PIFMA office at 843-626-8911 for additional information.
